Keynote

No regular updates this year :-)

The epicenter of change

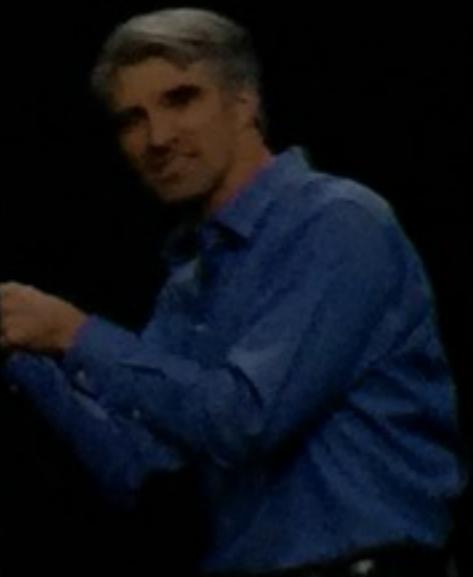

Swift 2 Open Source

Open Source

Free Native Development: age 13+

OCR accessory setup Search extensibility Audio unit extension VPN plug-in extension
Swift 2 Map customization Direct document UI testing in Xcode Notification actions
Third party notifications Motorized windows profile Sensor profile App thinning
New Health data types Automated shades profile Flyover and Walkthrough Gaming APIs
Object-oriented Contacts New HomeKit profiles iCloud open in place Home security profile Storyboard references
App transport security API Stack view Wireless CarPlay HomeKit iCloud remote access

My Favorite Features

- iPad Split Screen / Multi-tasking
- iPad Picture in Picture Video Playback
- Apple Pay & new Wallet app

My Favorite Dev Capabilities

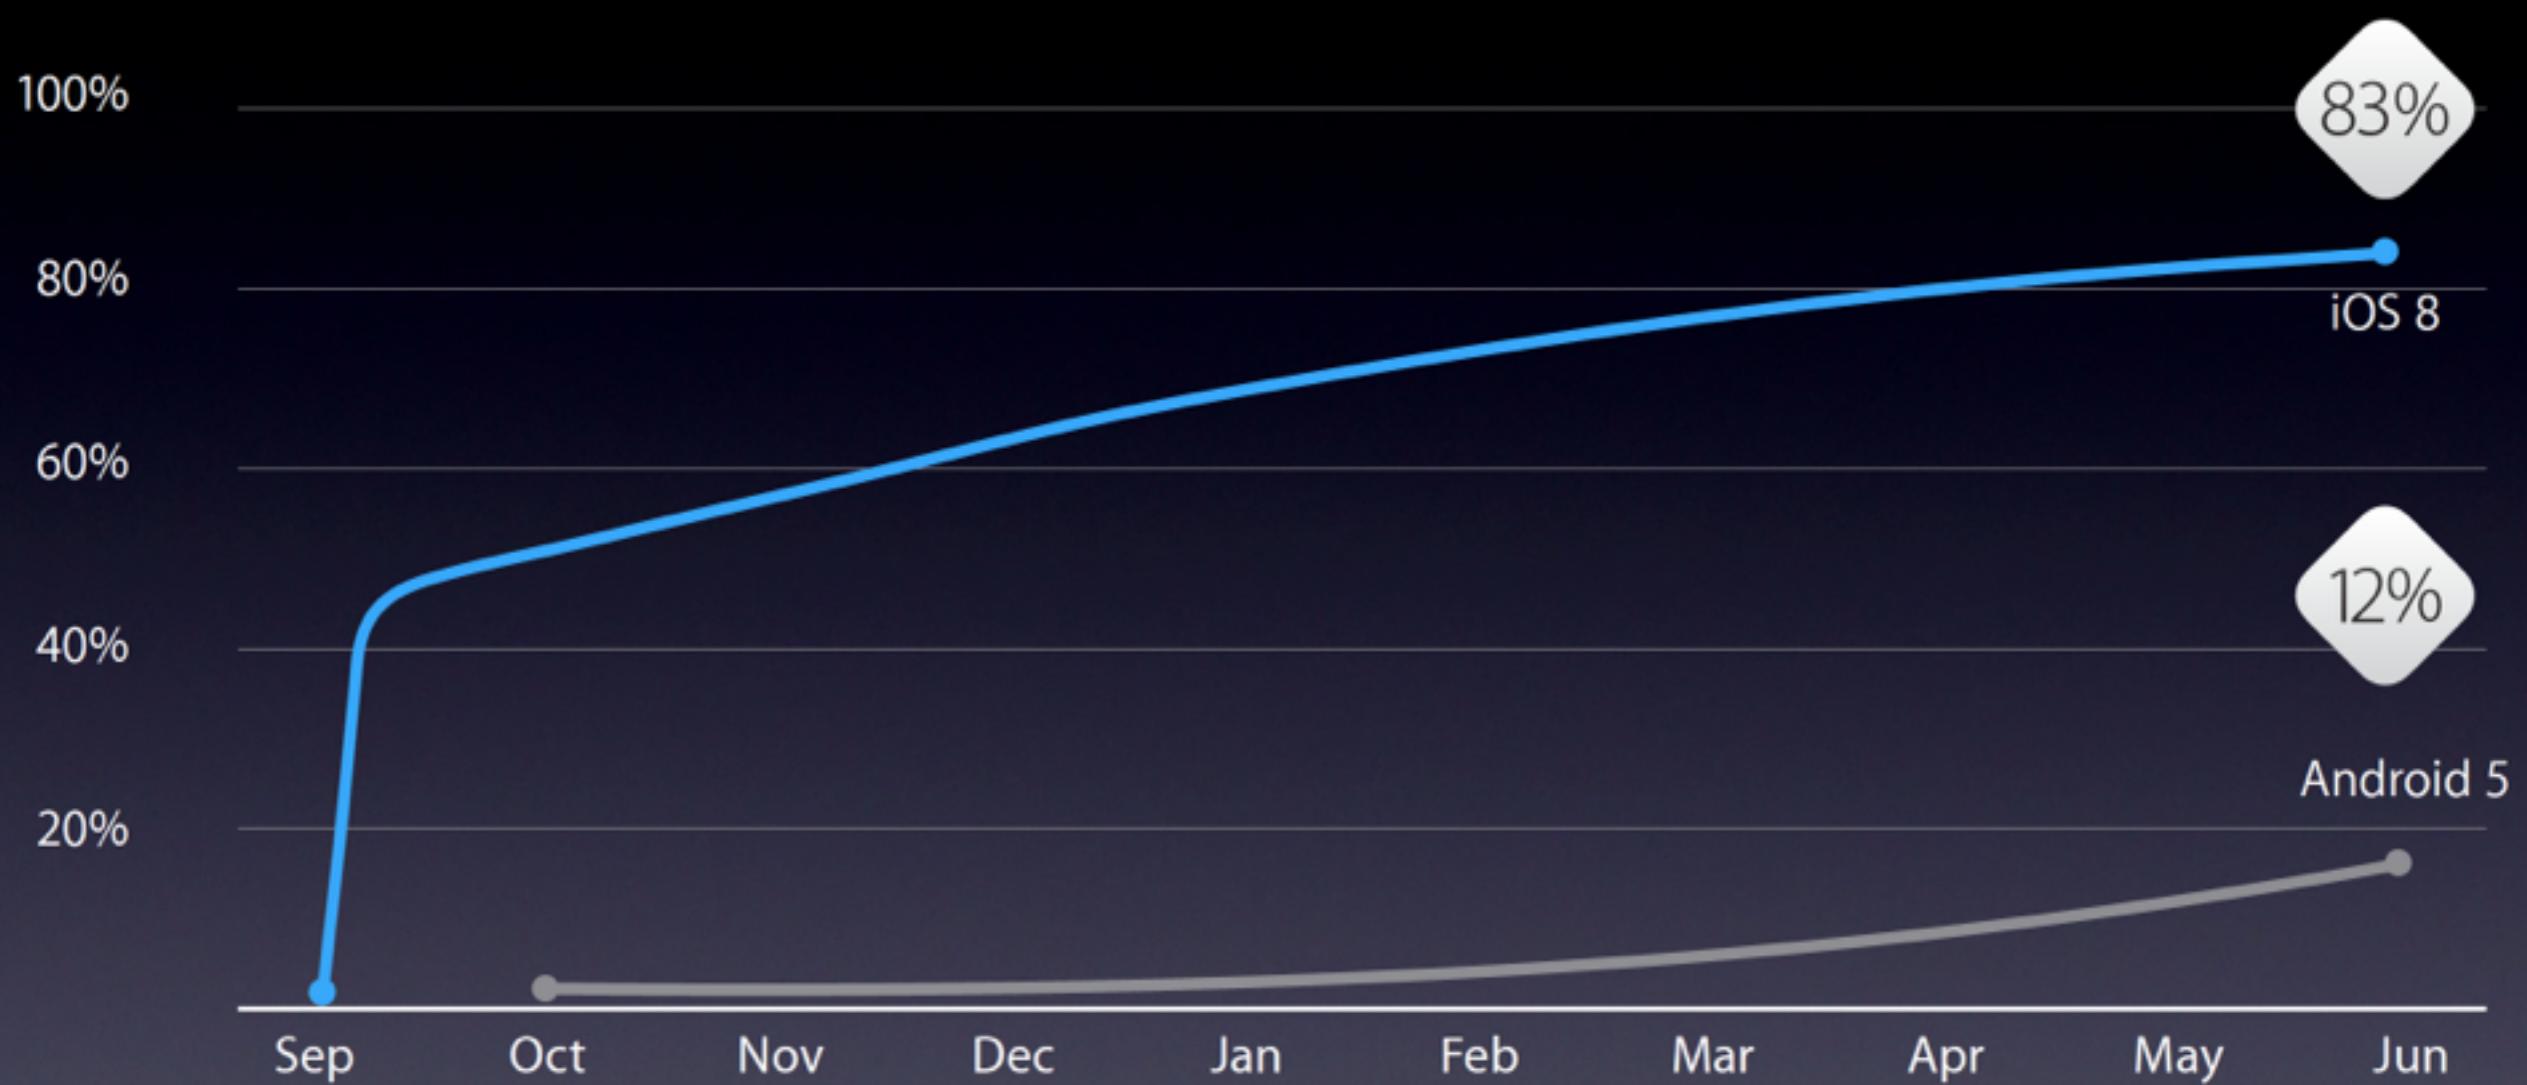

- Native app on watchOS 2.0
- Swift 2.0
- UI Testing
- App Thinning

A Short Demo

- Swift Playground
- Improving Existing Objc Project with Swift

Prepare your apps for iOS 9

Adoption Rate

2 Repeated Sessions for Swift
